

Allegheny College INDIA EL 2008

LEARNING COMMONS TECHNOLOGY WORKSHOPS

WEBLOG URL

http://webpub.allegheny.edu/employee/i/iroy/INDIA_EL_2008_weblog

Use this web address to access the EL India blog. This is also where you will learn how the blog works and get a chance to practice using it.

LOGIN PAGE URL

<http://blog.allegheny.edu>

This is the web address you will use to log into the EL India blog so that you can upload photo files and posts. Your login name is the same as your email and network login. You are advised to reset your password to match your email password so that there is less chance of forgetting it.

USEFUL LINKS

Moveable Type Tutorials—covers getting started topics and additional features such as uploading images, retrieving forgotten passwords, and editing entries

<http://help.allegheny.edu/tutorials/mtype/weblog.php>

Online Image Resizer—the name says it all; this utility allows you to resize your digital photos in three easy steps.

<http://www.resize2mail.com>

Flickr—access to millions of users and hundreds of millions of photos makes finding and sharing photos easy and legal if you use Creative Commons licensed photos

<http://www.flickr.com>

Creative Commons—learn more about using images that you find on flickr or other web sites legally

<http://www.creativecommons.org>
